

0235 Granville RTV Silicone Sealant Clear

Part No: 0235

Price: £8.95 (exc VAT) | £10.74 (inc VAT)

Specifications

0235 Granville RTV Silicone Sealant Clear

Granville RTV Silicone is an acetoxycure silicone sealant that cures quickly to provide a permanently flexible, high strength waterproof seal.

Specifically designed for automotive and industrial applications.

Granville RTV Silicone is ideally suited for sealing windscreen glass (NOT bonding), electrical connections, sealing around light units, rear light clusters and so on.
