Specifications

0880803EX Powermax 30XP c/w Carry Case

This is a shop display item and may not be supplied in the original shipping outer packaging, or point of sale packaging and may have cosmetic imperfections

The new Powermax30 XP delivers high performance in a small, portable package.

With its two-in-one design, the system provides high-power capability for thick metal cutting, plus FineCut® consumables for detailed, thin metal cutting.

Combined with a custom carry case, shaded glasses, cutting gloves and adapter plugs for 120V or 240V circuits, this system is designed to get you cutting quickly and easily.
