\*\*\*\* THIS ITEM MAY BE SHOP SOILED AND/OR MAY HAVE SOME COSMETIC OR PACKAGING DAMAGE\*\*\*\*

Ideal for regularly used workshop items such as body repair kits, power tools and bulky equipment too big for a traditional tool chest.

Features 14 tool holes ideal for keeping small tools on hand.

Strong build quality and heavy-duty 4" PU castors, two of which are locking, makes this an excellent dismantling trolley for smaller vehicle components
