**Part No:** VLB4261

**Price:** £5.87 (exc VAT) | £7.04 (inc VAT)

### **Specifications**

Vapormatic VLB4261 Zinc Galvanising Spray Grey 400ml (722504GP) UN1950

Zinc galvanising spray is ideal for use in production maintenance and construction industries.

It can be used as a coating on pipes and steel fabrication to reduce corrosion and as an exceptionally good primer coat.

It protect iron piping, ducts, water tanks, automotive and marine parts.

It is compatible for spraying onto acrylic or cellulose paint but will cause 'wrinkling' if used on alkyds systems.

It may be over coated with acrylic, cellulose, alkyd, p/u alkyd and epoxy.

400ml aerosol. Use in well ventilated area.
