

## 01156 SIP 1500w Induction Heater Kit

**Part No:** 01156

**Price:** £649.99 (exc VAT) Save £445.61

(RRP £1095.60) | £779.99 (inc VAT)

### Specifications

01156 SIP 1500w Induction Heater Kit

The SIP 1500w Induction Heater Kit is ideal for heating and releasing rusted-on or hard-to-remove parts such as nuts, bolts and fastenings.

Designed for use in garages, workshops or automotive environments.

#### Features

Easy-to-control and extremely efficient, this induction heater reaches temperatures of 800°C within 20 seconds.

This plug-and-play solution uses an all-electric process which offers greater levels of safety compared to oxyacetylene and other methods which use a naked flame.

Applications & uses: Ideal for garage, workshop and automotive environments.

Flat Coil: Sheet metal shrinkage or removing vehicle graphics and stickers. Helix Coil: Heating seized nuts, bolts and fastenings.

Flexi-Induction Coil: Placing around tubs, metal fixings and hard-to-reach objects.

Powerful and compact (1500w)

Features fan-cooled, handheld torch with socket adjusters for interchangeable heating tools.

Fan-cooled torch maximises performance and protects the user's hands from heat produced.

Compact unit delivers fast, safe and efficient heat quickly via the 1.5kW inverter power module.

4-piece induction kit supplied

Helix Coil (2x) - 1x Ø 19mm, 1x Ø 26mm. Both 220mm length. Suitable for placing over or around nuts, bolts and fastenings.

Flat Coil (1x) - 65mm width and 220mm length. Ideal for shrinkage when processing sheet metal or removing vehicle stickers and graphics.

Flexi-Induction Lead (1x) - 800mm length end-to-end. Used for placing around tubs, metal fixings and hard-to-reach objects.

Easy-to-use

Simple to power from a 230v (13A) supply and fitted with an intuitive 'one touch' induction torch trigger.

Lightweight and portable

Lightweight fan-cooled unit includes a shoulder strap for movability when in use.

Carry case

Supplied with durable carry case allowing storage of the unit and 4-piece induction kit.

SIP 2-Year Standard Silver Warranty

Specifications

Input Supply: 230v (13A)

Induction Power: 1.5kW

Power Control: Fixed

Induction Cable Length: 850mm

Power Cable Length: 3mtr

Ventilation: Fan-Cooled Torch & Inverter Unit

Inverter Frequency Range: 25kHz - 60kHz

## **Optional Extras**

HY02-00931 Induction Flexi Coil  
800mm

**Part No:**  
HY02-00931  
**Price:**  
£34.99 (exc  
VAT)  
£41.99 (inc  
VAT)

HY02-00936 SIP 01156 Induction  
Coil Straight 19/220mm

**Part No:**  
HY02-00936  
**Price:**  
£21.99 (exc  
VAT)  
£26.39 (inc  
VAT)

HY02-00939 SIP 01156 Induction  
Coil Straight 26/220mm

**Part No:**  
HY02-00939  
**Price:**  
£24.99 (exc  
VAT)  
£29.99 (inc  
VAT)

HY02-00942 SIP Induction Coil  
Straight 45/220mm

**Part No:**  
HY02-00942  
**Price:**  
£25.99 (exc  
VAT)  
£31.19 (inc  
VAT)
