Part No: 01609

Price: £30.59 (exc VAT) Save £12.61 (RRP £43.20) | £36.71 (inc VAT)

Specifications

01609 SIP 6" Dual Action Air Sander

The SIP 6" Dual Action Sander is perfect for smoothing, blending body filler, and feather edging via a random orbit that enables a swirl-free finish and a control lever for adjustment fine-tuning.

Features:

10,000rpm no-load speed for high power

6" (152mm) Ø large sanding backing pad

4CFM (113ltr/min) average air consumption

90psi (6bar) operating pressure; 1/4" BSP inlet

Perfect for smoothing, blending, and feathering

Random orbit for high-quality swirl-free finish

Heavy-duty aluminium body with rubber grip

Control lever throttle for simple adjustment

Lightweight and compact design
