

Engine Flush (500ml)

Part No: 0179

Price: £5.95 (exc VAT) | £7.14 (inc VAT)

Specifications

0179 Engine Flush (500ml) For use immediately prior to oil change only.

Add directly to used motor oil, run engine for around 10 minutes and then drain oil and Flush liquid.

Replace oil filter and oil as normal.

****Not designed for long term inclusion or operational use in the oil of vehicle engines****

Use to help neutralise corrosive acids and remove sludge, gum and varnish deposits.
