

01996 SIP Metal Dust Collector

Part No: 01996

Price: £599.99 (exc VAT) | £719.99 (inc VAT)

Specifications

01996 SIP Metal Dust Collector

The SIP Metal Dust Collector delivers powerful airflow for at-source metal grinding extraction in workshop or manufacturing environments.

Compatible with a variety of grinding, finishing and fettling equipment, this easy-to-manoeuvre dust collector is suitable for processing ferrous and non-ferrous metals and stainless steel.

SIP Dust Collection systems are essential for safely collecting metal dust and particles during metalwork processes.

Key features:

Powerful brushless induction motor (0.75kW/1hp)

High-powered air impeller

Two collection inlets

Easy-access collection tray

Specifications:

Input Supply: 230v (13A)

Motor Power: 750w (1hp)

Max. Airflow: 1100mtr³/hr

Outlet Size: 2x 100mm

Collection Tray: Yes

Filter Bag: Yes
