

02143 SIP Trade Engine cleaning and Oil gun

Part No: 02143

Price: £15.80 (exc VAT) | £18.96 (inc VAT)

Specifications

02143 SIP Trade Engine cleaning and Oil gun

The General Purpose Engine Cleaning and Oil gun is a useful tool for degreasing, spraying and washing off jobs.

With a 950cc pot for liquids, the gun runs at pressures between 29-87PSI.

Ideal for quick application of fluids for cleaning or preserving tasks over larger surface areas that would take time with a brush.
