Rock Groundsman SAE 30 Engine Oil 1 Litre

Part No: 02190/000/010

Price: £6.95 (exc VAT) | £8.34 (inc VAT)

Specifications

Rock Groundsman SAE 30 Engine Oil 1 Litre

Groundsman SAW 30 engine oil is a superior quality lubricant produced specifically for all horticultural 4 stroke petrol engines, including lawn mowers, generators and stationary engines.

Groundsman SAE 30S is suitable for all makes of four stroke petrol and naturally aspirated diesel stationary engines found on horticultural machines.

It is approved to all manufacturers specifications and can be used where a SAE 30 monograde oil is specified.

Features

Produced specifically for horticultural engines

Excellent thermal stability for peak engine performance under all conditions

Low carbon build up

Highly sophisticated anti-wear package to prolong engine life

Specially formulated for use where a SAE 30 monograde is recommended

Performance Specifications / Approvals:

API SJ, SH, SG, SF, SE, SD, SC

CF-4, CF, CE, CD, CC
