

0233 Granville RTV Gasket Sealant Clear (40g)

Part No: 0233

Price: £4.95 (exc VAT) | £5.94 (inc VAT)

Specifications

0233 Granville RTV Gasket Sealant Clear (40g)

Granville Instant Gasket is an acetoxycure silicone sealant that cures quickly to provide a permanently flexible seal.

Ideal for use as a gasket sealant to replace pre-formed gaskets.

Can also be used as a gasket sealant with pre-formed gaskets (do not apply too thickly) and to hold paper and light fibre gaskets in place.

This product must NOT be used on cylinder heads.
