## 0235 Granville RTV Silicone Sealant Clear

**Part No: 0235** 

**Price:** £8.95 (exc VAT) | £10.74 (inc VAT)

## **Specifications**

0235 Granville RTV Silicone Sealant Clear

Granville RTV Silicone is an acetoxy cure silicone sealant that cures quickly to provide a permanently flexible, high strength waterproof seal.

Specifically designed for automotive and industrial applications.

Granville RTV Silicone is ideally suited for sealing windscreen glass (NOT bonding), electrical connections, sealing around light units, rear light clusters and so on.
