

SIP02350 Trade Advanced Compressor Oil 1 Litre

Part No: 02350

Price: £15.00 (exc VAT) | £18.00 (inc VAT)

Specifications

SIP02350 Trade Advanced Compressor Oil 1 Litre

SIP Advanced Compressor Oil is a specialist compressor oil specifically developed to meet the lubrication demands of modern reciprocating piston compressors.

Features:

1 litre advanced compressor oil

Low carbon forming tendencies

Highly anti-corrosion and anti-rust

Good oxidation resistance to 220°C

Conforms to VC-L DIN51352 & DIN51506

Can lubricate modern reciprocating pistons

High viscosity index - giving flow rates to all moving parts at low temperatures coupled with good flow strength
