

02775 SIP Mild Steel Electrodes 5kg x 1.6mm

Part No: 02775

Price: £93.00 (exc VAT) | £111.60 (inc VAT)

Specifications

02775 SIP Mild Steel Electrodes 5kg x 1.6mm

The SIP 5kg x 1.6mm Mild Steel Electrodes are suitable for mild steel ARC welding, and are manufactured for top performance.

These electrodes are designed for general purpose applications.

5kg x 1.6mm mild steel electrodes

Ideal for all heavy-duty applications

Designed for optimum performance

Reliable and high value-for-money

Electrode Size 1.6mm

Suitable For Mild Steel
