

Granville Exhaust Assembly Paste

Part No: 0432

Price: £2.95 (exc VAT) | £3.54 (inc VAT)

Specifications

G0432 Granville Exhaust Paste

Granville Exhaust Assembly Paste is a high quality adhesive/sealant for sealing exhaust systems during assembly.

Granville Exhaust Assembly Paste is supplied as a read to use thixotropic paste which exhibits excellent early grab and rapid bond strength development.

After thermosetting the product forms a permanent seal which gives excellent adhesion in service.
