Specifications

04909 SIP 3" Diesel Water Pump

The SIP 3" Diesel Water Pump is a surface-mounted water pump designed for outdoor use and in remote locations.

Suitable for agricultural settings and construction sites, this powerful water pump is perfect for draining farmland ditches and building foundations.

Featuring a high max. flow rate of 1000ltr/min for effective water pumping head and 30mtr max. pumping head for greater water clearance.

This machine also includes a wheel-mounted open frame design with pull handles for easy movement between locations.

This diesel electric start water pump is fitted with a 6hp (4.4kW) EURO V 4-stroke single-cylinder OHV engine.

It is also supplied with 12v battery, meaning it can be independently powered for reliable everyday

use.

Key Features

Powerful surface-mounted pump ideal for agricultural settings and construction sites

High max. flow rate of 1000ltr/min and 30mtr max. pumping head

Diesel electric start engine and supplied with 12v battery

Wheel-mounted open frame with lift-up pull handles for easy movement

Cast iron impeller for durability in handling high-capacity pumping applications

Suitable for dirty water and supplied with hose strainer for filtering debris (? 6mm)

Specifications:

Engine Type: 6hp (4.4kW) EURO V 4-stroke single-cylinder OHV

Fuel Type: Diesel electric start (3.5ltr tank, 12v battery supplied)

Max. Water Flow Rate: 1000ltr/min

Max. Pumping Head: 30mtr

Max. Suction Head: 8mtr

Hose Inlet & Outlet: Dia 3" (76mm)

Max. Particle Diameter: 6mm dia

Product Dimensions: 555(H) x 515(W) x 615mm(D)

Uses 07321-Hose Suction Hose and 07962 Layflat Hose not included

Optional Extras

07692 SIP 3" 10m Layflat Hose

Part No: 07692

Price:
£42.49 (exc VAT)
£50.99 (inc VAT)

07321-Hose SIP 3" 10m Super Strength Suction Hose

Part No:

07321-HOSE
Price:
£119.89 (exc VAT)
£143.87 (inc VAT)
