

05003 SIP 1.5mm Plasma Nozzle

Part No: 05003

Price: £4.90 (exc VAT) | £5.88 (inc VAT)

Specifications

05003 SIP 1.5mm Plasma Nozzle

The SIP 1.5mm Plasma Nozzle is a high-quality component manufactured for high performance and long service life at all levels.

Suitable for a range of powerful SIP Plasma Inverters.

Product features:

1.5mm plasma inverter nozzle

Built for high precision and accuracy

Long service life and excellent value

Suitable for the following machines:

HG700 Plasma Inverter
