### Specifications

05635 SIP 20" Heavy-Duty Orbital Floor Fan

The SIP 20" Heavy-Duty Orbital Floor Fan delivers powerful multi-directional airflow to help cool spaces and circulate air in a variety of indoor environments.

Mounted at four points on a steel tube frame, this heavy-duty 3-blade fan can be rotated and fixed between 720° on both its horizontal and vertical axis.

This creates an orbital effect which maximises airflow coverage.

Fans are essential in helping to provide improved air quality to indoor spaces.
