

05770 SIP HG2500P AC/DC TIG/ARC Welder with Pulse

Part No: 05770

Price: £1629.20 (exc VAT) | £1955.04 (inc VAT)

Specifications

SIP HG2500P TIG/ARC Inverter with Pulse

For the serious home or trade welder, offering portability, convenience and ease of use at great value for money.

- 230v (16amp) supply
- AC/DC Output Current
- Very high duty cycle: 200amps @ 60% TIG, 130amps @ 60% ARC
- Weld steel, stainless steel, copper and aluminium
- High frequency TIG facility for easy starting
- Lift ARC TIG
- MMA (ARC)
- MMA Electrode size 1.6mm - 4.0mm
- TIG Tungsten electrode size 1.0mm - 2.4mm
- 2T / 4T control
- Pulse weld selector
- Foot pedal remote control option
- 2 Year Warranty
- ACCESSORIES INCLUDED: 5m WP-26 TIG Torch, TIG torch accessory kit, Earth cable with earth clamp, 4m x 8mm Ø gas hose and hose clamp, Instruction Manual

Supply
Output Current

230v (16amp)
AC/DC

	TIG
Welding Current (AC)	10amp to 200amp
Welding Current (DC)	5amp to 200amp
Output @ 60% Duty Cycle	200amp
TIG Tungsten Diameter	1.0mm to 2.4mm
Approx. Weld Thickness Range	0.5mm to 4.0mm
	ARC
Welding Current	5amp to 170amp
Output @ 60% Duty Cycle	130amp
Electrode Size	1.6mm to 4.0mm
Approx. Weld Thickness Range	1.0mm to 7.0mm
Insulation Class	F
Protection	IP21S
Net Weight	25kg
Packaged Dimensions (HxWxL)	655x325x445mm

Optional Extras

05714 SIP 3 Tier Welding Cart

Part No: 05714

Price:

£64.99 (exc VAT)

£77.99 (inc VAT)

05701 Foot Pedal for Use with 05770

Part No:

05701

Price:

£99.99 (exc VAT)

£119.99 (inc VAT)
