

06243 SIP V245/50 Vertical Air Compressor

Part No: 06243

Price: £280.80 (exc VAT) | £336.96 (inc VAT)

Specifications

The SIP 06243 V245/25 Vertical Air Compressor is a compact and spacesaving air compressor with an integrated top control panel for easy access and viewing of the air pressure gauge.

Powered from a domestic 230v 13 amp supply, the powerful 2.0hp motor delivers 8.0CFM of air at up to 116psi (8 BAR), with a 50 litre air reservoir.

Oil free design.
