

06245 SIP V300/100 Vertical Air Compressor

Part No: 06245

Price: £481.60 (exc VAT) | £577.92 (inc VAT)

Specifications

The SIP 06245 V300/100 Vertical Air Compressor is a compact and spacesaving air compressor with an integrated top control panel for easy access and viewing of the air pressure gauge.

Powered from a domestic 230v 13 amp supply, the powerful 2.5hp motor delivers 10.0CFM of air at up to 116psi (8 BAR), with a 100 litre air reservoir.

Oil free design.
