Part No: 06779

Price: £71.20 (exc VAT) | £85.44 (inc VAT)

Specifications

06779 SIP Professional Metal Shear

The SIP 06779 Professional Metal Shear is ideal for autobody shops for sheet metal cutting.

Featuring hardened metal blades, the shears can cut through sheet metal of 1.2mm (18 Gauge) thickness.

Operating from a 90psi air supply, the shears can run at 1800rpm speed capacity.
