**Part No:** 07174

**Price:** £1069.99 (exc VAT) Save £447.01

(RRP £1517.00) | £1283.99 (inc VAT)

### Specifications

07174 SIP Pro Booster 6200 12v/24v

The SIP Pro Booster 6200 features a 6200amp (at 12v) boost peak rate, 1880amp (at 12v) cranking rate.

The 6200 features 12 or 24 volt output making it suitable for a range of vehicles including commercials and boats.

Complete with mains charger, it features digital display charge indicators and heavy duty leads and crocodile clips.

The unit features reverse polarity protection in case of incorrect connection to the battery.

The SIP 6200 12v/24v Professional Booster is a powerful AGM battery booster, meaning reduced weight, internal resistance, needs less maintenance, and supports a range of

batteries.
