

07433 SIP 3/8" Professional Air Hose 10m

Part No: 07433

Price: £42.20 (exc VAT) | £50.64 (inc VAT)

Specifications

07433 SIP 3/8" Professional Air Hose 10m

The SIP 3/8" 10mtr Professional Air Hose is manufactured from high-quality silicon-free advanced Nitrile rubber and PVC.

It prevents reaction against paints, and high resistance to kinks, abrasions, oils, and fuels for higher durability and a longer lifespan.

Perfect for use with premium SIP compressors and air tools.

Features

3/8" 10mtr (32.8ft) hose with 310psi (21.4bar) max. pressure

Professional-grade hose manufactured from advanced Nitrile rubber and heavy-duty PVC which provide high durability

High resistance to kinks, abrasions, oils, and fuels

Silicon-free design means no reaction against paints
