Part No: 07437

Price: £29.99 (exc VAT) Save £42.81 (RRP £72.80) | £35.99 (inc VAT)

Specifications

07437 SIP 3/8" Professional Air Hose 20m

The SIP 3/8" 20mtr Professional Air Hose is manufactured from high-quality silicon-free advanced Nitrile rubber and PVC.

It prevents reaction against paints, and high resistance to kinks, abrasions, oils, and fuels for higher durability and a longer lifespan.

Perfect for use with premium SIP compressors and air tools.

Features

3/8" 20mtr (65.6ft) hose with 310psi (21.4bar) max. pressure

Professional-grade hose manufactured from advanced Nitrile rubber and heavy-duty PVC which provide high durability

High resistance to kinks, abrasions, oils, and fuels

Silicon-free design means no reaction against paints
