Specifications

Rock Agri-Guard Ls 10W40 Universal Oil 20L

AGRI-GUARD® SUTO 10W-30 / 10W-40 is blended using highly refined mineral oil and superior industry leading additive technology.

It is suitable for use in diesel and gasoline engines, transmissions, hydraulics, final drives, and oil-immersed brakes operating in agricultural service.

- Increased engine and power train performance
- Ultimate protection across all components minimising downtime for the user
- Elimination of chatter in wet brakes
- Vastly reduced engine scuffing, bore polishing, and oil consumption
- A single multi purpose product to reduce oil complexity on the farm
