

08200TS Tigren TGN140MMA ARC Inverter Welder & Helmet Kit

Part No: 08200TS

Price: £99.95 (exc VAT) Save £30.00 (RRP £129.95) | £119.94 (inc VAT)

Specifications

08200TS Tigren TGN140MMA ARC Inverter Welder & Helmet Kit

The TIGREN TGN140MMA ARC Inverter Welder is a generator-friendly and exceptionally lightweight and compact ARC inverter welder.

It is fully ready-to-weld straight out the box thanks to a range of accessories and easy-to-set power setting via a digital display.

This is complimented by a FREE 02801 TIGREN Electronic Headshield, an essential accessory for welders and fabricators.

This features an ultra fast 3/10,000sec light-to-dark response time and excellent peripheral vision.

Ideal for a range of home, trade, and professional applications including metal gates or railings repair and maintenance.

Features:

Digital display for easy power setting

3mtr electrode and Earth leads for flexible welding

Lightweight and compact design for simple portability

Generator-friendly for use in a range of environments

Ready-to-weld package straight out the box

Ideal for a range of home, trade, and professional jobs

Perfect for metal gates or railing repair and maintenance

Supplied with 3mtr 200A Earth lead, 3mtr 200A electrode lead, handheld shield, chipping hammer, wire brush, and 5pc 2.5mm 6013 electrodes

Optional scratch-TIG available (08206)

Specifications:

ITEM NO. 08200 Welder

Input Supply: 230v (13A)

Output Current: 20A - 140A

Duty Cycle: 140A @ 20%

Electrode Diameter: Ø 1.6mm - 3.2mm

Welding Thickness: 1.5mm - 7mm

ITEM NO. 02801 Welding Helmet

Screen Type: LCD

Power Supply: Solar panel / Lithium Cell

Full Screen Size: 118mm x 95mm

Viewing Area: 92.5mm x 42.5mm

Welding Shade: DIN 9 - 13 variable internal control

Light-to-Dark Reaction: 3/10,000sec (0.00003s)

ARC Sensors: 2 sensors
