### Specifications

08946 Tempest PP660/165 Honda GX160 Pressure Washer

Featuring an Honda GX160 5.5hp engine

This industrial style engine features a brass head pump and forged brass controls with ceramic pistons.

With a pressure rating of 165bar (2393 psi), the machine has flow rate of 11 litres per minute equating to 660 litres per hour.

Supplied with a dual lance that features protected extension and swivel connections for easier hose movements, the machine offers professional quality and reliable performance.

Sucks water up to 2 metres.

Wheel mounted for ease of transportation, this petrol driven pressure washer can be taken right to the middle of the cleaning area quickly and easily.

Supplied complete with a 3 year engine, the machine offers confidence and maximum reliability.
