

10719390 High Pressure Hot Water Washer HDS 10/21-4M

Part No: 10719390

Price: £4021.00 (exc VAT) | £4825.20 (inc VAT)

Specifications

10719390 High Pressure Hot Water Washer HDS 10/21-4M **Three Phase 400v**

User-friendly, powerful hot water high-pressure cleaner with 4-pole, water-cooled electric motor, economical eco!efficiency mode and 2 detergent tanks.

The HDS 10/21-4 M is one of the most powerful hot water high-pressure cleaners in the middle class and also impresses with its sophisticated ergonomics and high level of user-friendliness.

Its low-speed, 4-pole and water-cooled electric motor, the robust 3-piston axial pump with ceramic piston and the economical eco!efficiency mode simultaneously ensure maximum performance and reliable, economical operation.

The energy-saving EASY!Force Advanced HP trigger gun with servo control and 1050-millimetre-long spray lance with patented nozzle technology as well as the EASY!Lock quick-release fasteners are also included as standard for fatigue-free and time-saving work.

Many other equipment and performance details are also impressive, such as the optimised burner engineering, the 2 detergent tanks, the convenient mobility concept, the extensive safety technology, the simple operation with just one switch or the clever accessory storage options.

Features:

High efficiency -

In eco efficiency mode, the machine operates in the most economical temperature range (60 °C) - with full water flow.

Wide-ranging accessories with EASY!Lock -

EASY!Force Advanced for fatigue-free work without any holding force

Pressure and water volume can be adjusted on the Servo Control controller positioned between the lance and trigger gun

Rotating 1050 mm stainless steel lance.

Maximum efficiency -

Highly efficient, tried-and-tested "Made in Germany" burner technology.

4-pole electric motor with 3-piston axial pump.

Water-cooled motor for a high performance and long service life.

Operational safety

Easy-to-access water filter protects the pump against dirt particles in the water.

Safety valves, water shortage and fuel protection ensure the availability of the machine.

The Soft Damping System (SDS) compensates for vibration and pressure peaks in the high-pressure system.

Multiple storage spaces for accessories integrated into the machine -

On-board storage for full range of accessories. Includes 2 hooks for suction hose and power cord.

Spacious storage compartment, e.g. for detergents, gloves or tools.

Detergent dosing -

"Jogger" design with large rubber wheels and steering roller.

Integrated tipping trough for effortless transport over ledges.

Push handles for simple transport and manoeuvrability.

Easy to use controls -

One switch for all unit function

Specifications:

Supply voltage (Ph/V/Hz) 3 / 400 / 50

Flow Rate (l/h) 500 - 1000 Litres per minute / 16.7 Litres per minute

Operating pressure (bar/MPa) 30 - 210 Bar / 3 - 21 MPa

Temperature (supply 12°C) (°C) min. 80 - max. 155

Power rating (kW) 8

Consumption fuel oil (kg/h) 7.3

Heating oil consumption, eco!efficiency (kg/h) 5.8

Power cable (m) 5

Fuel tank (l) 25

Weight (with accessories) (kg) 160.2

Dimensions (L x W x H) (mm) 1330 x 750 x 1060

Optional Extras

41140270 Dirt Blaster TR 050 Prof.

Part No:

41140270

Price:

£165.05 (exc VAT)

£198.06 (inc VAT)

41140300 Dirt Blaster TR 070/080 Professional

Part No:

41140300

Price:

£165.05

(exc VAT)

£198.06 (inc VAT)
