Specifications

13-0952-11 Mountfield Combi Cart

A very practical multi-purpose cart which can also be used as a wheelbarrow.

The towing hook folds so it doesn't take up unnecessary space when it's stored or in wheelbarrow mode.

The body is manufactured from polymer giving it a low overall weight and it has a standard hitch connection for attachment to your tractor.

Largest Measurements 142 x 76 x 84cm
