

## 15249360 High Pressure Cleaner HD 7/12-4 M Plus

**Part No:** 15249360

**Price:** £1641.00 (exc VAT) | £1969.20 (inc VAT)

### Specifications

15249360 High Pressure Cleaner HD 7/12-4 M Plus

Powerful, versatile and robust machines, ideal for tough cleaning jobs in agriculture, construction and automotive sectors, where high water flow is needed to shift dirt and detergent quickly.

The upright design makes them highly manoeuvrable and easy to transport.

Equipped with quality features such as an automatic pressure relief system and built with efficient pump technology the machine can withstand harsh industrial environments.

The dirtblaster nozzle provides even greater cleaning performance for the most difficult cleaning tasks and the sophisticated on board storage allows for secure and tidy storing.

Features:

Useful accessory storage:

Bracket for fixing the cup foam lance.

EASY!Lock TR20 allows the power nozzle or a surface cleaner to be stored directly at the machine.

Practical nozzle compartment for holding the rotary nozzle.

Easy servicing:

Easy access to the cylinder head when bottom of machine is opened.

Fast access to electrical box through simple removal of cover.

Large, easily accessible water fine filter for protecting the pump against dirt particles in water.

Efficient and time-saving solutions:

Effortless EASY!Force high-pressure gun.

EASY!Lock quick-release locks: durable and robust. And five times faster than a standard screw connection.

Increased energy efficiency:

Newly developed 3-piston axial pump with considerably reduced flow and pressure losses.

20 percent increase in cleaning performance and energy efficiency.

Specifications:

Current type (Ph/V/Hz) - Single Phase / 240v / 50hz

Flow Rate (l/h) - 700 Litres an hour

Water feed temperature (°C) - 60c

Operating pressure ( /MPa) - 120 / 12

Max. Pressure (bar/MPa) - 180Bar / 18MPA

Power rating (kW) - 3.1kW

Power cable (m) 5m

Water feed - 3/4"

Colour Anthracite Grey

Weight (with accessories) (kg) 41.3

Dimensions (L x W x H) (mm) 400 x 455 x 700mm

Included:

Trigger gun: EASY!Force

Spray Lance: 840 mm

Power Nozzle

Dirt Blaster Spray Lance

Quick Coupling

Equipment

High-pressure hose length: 10 m

High-pressure hose type: Premium quality

Pressure Switch Control
