Specifications

Mountfield Manor Compact 36V Tiller

The Manor Compact 36V is a sturdy machine. Powered by a Stiga ST120 OHV engine with a capacity of 123cc, the working width is 36cm resulting in only needing a few passes to cultivate a large area of soil.

The body is made from pressed steel and with a total weight of 27kg, it is a joy to work with.

It really will help clear complete allotments in a blink of an eye, allowing you plenty of time to sort out the rest of your garden and relax in a deckchair watching your carrot seeds grow.

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.
