Specifications

Stiga BC 700e Brushcutter Trimmer

Loop handle style cordless brush cutter in the STIGA battery range.

The BC 700e gives you control, speed and power and a 38cm cutting width.

With the suggested ePower440 48V 4Ah battery and advanced 500W brushless motor, you can get up to 60 minutes of continuous cutting.

Every part of the design feels solid, balanced and protected.

And with five harness hook positions to choose from, it's ideal for slopes and rugged terrain.

STIGA's first battery bike brushcutter designed for cable-free, efficient working.

Weighs only 4.7kg with robust alloy transmission tube.

Five harness hook positions for optimal balance as you move.

Keypad control panel on handle with LEDS display for safe starts and speed control.

Switch cutting head from easy load dual line to the 3T 255mm blade for thicker vegetation.

Not supplied with a Battery or Charger:

Suggested Battery: STIGA ePowerE 440 (4Ah) - sold separately

Suggested Battery and Charger - 1 x E 440 Battery 1 x EC 415 SU Charger
