Specifications

Stiga GT 500e Brushcutter Trimmer

30cm cut width

Powerful and easy to manoeuvre, the GT 500e battery grass trimmer makes light work of tidying your garden – and features an innovative cutter head for more accurate lawn edging.

Powered by a 48V 2Ah battery, this electric grass trimmer provides up to 20 minutes trimming time on one charge and is much quieter than a standard petrol grass trimmer.

Its high-performance cutting head also automatically feeds double-line nylon, so you don't have to.

Nylon operator's Harness included.

Battery grass trimmer for cable-free, stress-free trimming with 30cm cutting width.

Cutting head rotates to switch between trimming and edging functions.

Adjustable front handle and telescopic shaft for comfortable working.

High-performance cutting head automatically feeds double line nylon cutting lines.

Intuitive keypad on handle with ergonomic switches.

Included battery: STIGA ePowerE 420 (2Ah) & EC430 FU Fast Charger

This product comes with a 5 year warranty*

***Warranty Terms & Conditions.**

To maintain the 5 year warranty the mower must be serviced before the end of the first year of ownership and annually thereafter by an authorised Mountfield dealer.

Failure to keep the Mower serviced at these intervals will result in the warranty reverting to a standard warranty period.
