Specifications

Stiga BC 730 B Brushcutter 283221008/ST

Turn brushcutting into a pleasure with this robust gardening companion with a 43cm cutting width.

The Stiga BC 730 B Brushcutter is fitted with a powerful 1.0 kW engine.

Enjoy longer and more comfortable cutting sessions with well-balanced bike handles – for better weight distribution and extra control.

The bike handle allows added control and manoeuvrability.

Engineered for comfort, this brushcutter makes light work of clearing tough vegetation with speed and precision.

The BC 730 B is supplied with a Tap'n'Go Nylon cable head and an ARC 3 rotor blade for thicker and more solid vegetation.

Complete with a choice of two cutting options:

The high-performance 3 ARC blade is designed to tackle extra-tough vegetation, and the Bump&Work nylon cutting head is ideal for trimming softer grasses.

The nylon cutting head has been engineered for maximum efficiency, ensuring a smooth trim session

with only momentary interruption when fresh nylon line is required.

The BC 730 B is supplied with a single sling type harness for operational ease.

5 year warranty

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.

We also provide full parts backup, servicing and workshop facilities by our own Mountfield & Stiga trained and accredited staff.

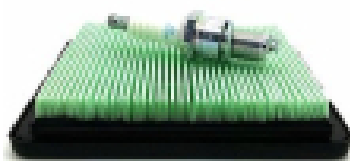

***Warranty Terms & Conditions.**

To maintain the 5 year warranty the mower must be serviced before the end of the first year of ownership and annually thereafter by an authorised Mountfield dealer.

Failure to keep the Mower serviced at these intervals will result in the warranty reverting to a standard warranty period.
