Specifications

Stiga MT 330 - 5 in 1 Multi-Tool with Loop handle with soft grip

The STIGA MT 330 - 5 in 1 is a 5-in-1 multifunctional machine.

This Garden Machinery product is only available for delivery to the following local Postcodes HR, WR, SY & LD.

It can be used with various tools, all powered by the same 25.4 petrol engine with a net power output of 0.7 kW.

It can be used as a brushcutter using the straight shaft and nylon head with 2.4mm Nylon Line and Tap & Go technology for quick release of the line.

The 3T metal blade can tackle the densest vegetation.

The hedge trimmer function works using the accessory with 40 cm blade and 180° rotating head, while the 25 cm bar makes short work of pruning.

The chain assembly is fed from an automatic oiler system.

All the parts and accessories can be used with a 70 cm extension pole included with the single point harness.

This product has a 5 year warranty*

Specifications:

Engine:

25.4cc Petrol 2-Stroke with max speed of 11,000rpm
