Price: £137.50 (exc VAT) Save £11.67

(RRP £149.17) | £165.00 (inc VAT)

Specifications

Stiga Collector 132e Kit

Complete with 1 E24 4.0Ah Battery and Single Battery Charger

The Collector 132e Kit is a lightweight battery lawn mower that's easy to handle and resistant to garden obstacles.

With just one charge, it can cover up to 150sqm – and because it's a cordless lawn mower, you'll enjoy faster mowing.

Its battery power also means less noise for your neighbours.

And for a stress-free cut, the machine's optimised air circulation keeps everything running smoothly.

For your comfort, the Collector 132e Kit's height is adjustable to two positions, while a carrying handle in the middle makes it easy to lift.

You can also adjust its cutting height to three different settings to best match the lawn, season and conditions.

The lawn mower collects cuttings in a sturdy 30l plastic grass collector, complete with a comfortable handle for easy emptying.

When you're finished, the handlebar folds away for easy storage.

Job done - time to relax!

1 x E24 4.0Ah Battery and Single Battery Charger included.

Specifications:
