Specifications

Electress 34 Corded hand propelled Lawnmower

New for the 2022 Season, the Electress 34 1.2kw Corded Lawnmower.

The Electress 34 offers the convenience for of a plug and play compact lawnmower for small garden lawn areas.

No need to worry about batteries as you can plug in with the supplied 15 m mains cable and mow without delay.

It features a 35 Litre rear Grass collector with Full warning indicator

When you are finished, cleaning is easy. Just disconnect the power cable, turn the mower on to one side and easily clean off any grass debris.

This prevents any acids in the grass clippings from starting any corrosion.
