Specifications

Stiga Collector 136e Kit

Complete with 2 E22 2.0Ah Batteries and Dual Battery Charger

The Collector 136e Kit is a compact, battery-powered lawn mower that's as good for the garden as it is for the planet.

Simply insert the safety key, press start and you're ready to mow.

You'll be able to cover 250sqm in one charge – that's bigger than a tennis court.

With no cables, it's simple to manoeuvre for swift, stress-free cutting.

And because it's battery powered, it's far quieter than most standard lawn mowers.

For added comfort, the Collector 136e Kit features a soft-grip handlebar, adjustable to two positions, as well as a comfortable carry handle for easy lifting.

When it comes to cutting, the 34cm deck can be adjusted to six different heights to suit the season or conditions.

Grass is captured in the 35 Litre hybrid grass bag with a sturdy plastic top and textile lower section for high capacity and easy storage.

Zip around beds, borders, ponds and pathways. Then, when you're done, the Collector 136e Kit just folds away.

Batteries and Charger included.

A 5-year manufacturer's warranty is included with this model (T&C's apply).*

Complete with 2 E22 2.0Ah Battery and Dual Battery Charger

Product dimensions: 127 L x 45 W x 117 H cm
