Stiga Combi 340e Kit

Complete with 1 E440 4.0Ah Battery and Single Battery Charger

If you're maintaining a less substantial lawn and you'd rather not mow it with a noisy and maintenance-heavy petrol machine, the 48 V battery-powered STIGA Combi 340e Kit provides the ideal solution!

Extremely lightweight and offering simple hand-propulsion, the Combi 340e Kit requires little effort to push and will prove much easier to manoeuvre around trees and landscaping than a self-propelled model.

Newly redesigned cam locks make it quick and easy to fold the handlebars and achieve the space-saving storage position.

This mid-range machine has a 38cm cutting-width. The included battery for the Combi 340e Kit is compatible with all 48 V battery tools.

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.
