Specifications

299900374/0 Mulching Kit MP98 with Mulching blades

An easy to fit unit which directs cut grass back into the mower blade to re-cut it into a mulch, rather than into the collector.

Includes a set of mulching blades.

The mulch is returned to the grass where it can be absorbed into the lawn creating nutrients for the lawn as well as saving the task of disposing of whole grass clippings.

Suitable for Mountfield 1538
