

Snow Blade 120 cm

Part No: 299900400/0

Price: £630.00 (exc VAT) | £756.00 (inc VAT)

Specifications

Snow Blade 120 cm

The original snow blade for garden tractors with 102 and 122 cm cutting deck is ideal for clearing snow from drive- and walkways.

The blade has a clearing width of 120 cm and is made of robust metal.

It is really easy to fit to your garden tractor.

The working angle can be adjusted and the blade features skid shoes and an automatic control to prevent overloading.

The blade is supplied with a rubber scraper.

This accessory is ideal to be used during Winter.
