Price: £289.17 (exc VAT) | £347.00 (inc VAT)

Specifications

299900430/0 Winter Tyres kit 18"

18" rear winter tyre kit for garden tractors.

These tyres are for use in winter and on challenging terrain.

The form of the tread and the special pattern are especially designed to deliver efficient braking and traction on snow and on wet roads in cold conditions.
