Price: £903.33 (exc VAT) | £1084.00 (inc VAT)

Specifications

Snow Plough Blade 107 cm

Snow blade for ride-on mowers.

107 cm clearing width

The snow blade is ideal for clearing snow from drives and pavements.

The blade has a clearing width of 107 cm and is made of robust metal and very easy to fit.

The working angle can be adjusted and the blade features skid shoes and an automatic control to prevent overloading.

The blade is supplied with a rubber scraper
