Specifications

Stiga Combi 95 Q Cutting Deck

95 cm cutting deck for front cut ride-on mowers with QuickFlip technology.

The Combi cutting deck for front cut ride-on mowers is designed to cut using rear discharge or mulching mode.

95 cm cutting deck features two synchronised blades and interchangeable tips.

The cutting height is adjusted electrically and can be set to between 25 and 85 mm.

The QuickFlip system enables the cutting deck to be easily raised for maintenance and cleaning using a handle.

The cutting deck is equipped with anti-scalp wheels
