The Stiga Park 500 W Front Mower is a middle range model in the Park range capable of handling a lawn area up to one and three quarter acres in size.

The powerful 586cc STIGA ST 550 Engine, Hydrostatic Transmission and impressive up to 110cm cutting width make light work of lawn areas.

Visibility is superb; manoeuvrability slick and cutting is precise thanks to the 50:50 articulated power steering system.

The twin-bladed cutting deck allows cutting widths of 95 to 110cm to be achieved from the front mounted floating deck.

The Park 500 W features 2 wheel drive Rear Wheel Transmission .

The mulching blades ensure the grass clippings are finely cut into a nitrogen rich mulch to recycle back onto your lawn as a natural fertiliser.

The optional Bluetooth module connects to a smart phone notifying maintenance and task data.
