Driven by a powerful Honda GCV530 twin-cylinder engine – one of the most well-known and reliable engines of its kind.

New for 2025.

The Park Special out-front mower makes every mowing session a joy.

It comes with an all-wheel-drive Tuff Torq transaxle transmission, enabling the machine to easily climb uneven surfaces.

For simple manoeuvring, even around obstacles and tight corners, the Park Special's 50:50 articulation with power steering takes care of everything.

And to cover more ground more quickly, the front-mounted deck features extra-wide cutting choices from 95m to 125cm.

Powerful and reliable 530cc Honda GCV530 twin-cylinder engine

All-wheel-drive Tuff Torq transaxle transmission for better climbing

Front-mounted floating deck with cutting widths from 95cm to 125cm

50:50 articulation with power steering

Compact side dashboard and comfortable driver area

Cutting deck not included – Suggested Deck Park Combi 100 Q Plus

No mowing mission is impossible with the Park Special front mower.

Its powerful 530cc Honda GCV530 twin-cylinder engine and all-wheel-drive Tuff Torq transaxle transmission tackle all surfaces and slopes.

Steering and avoiding obstacles also couldn't be easier, with a 50:50 articulation with power steering

system and innovative chassis design.

And with cutting widths from 95cm to 125cm, you can cover more ground with ease.

Its front-mounted deck delivers unobstructed views, easy corner access and precision-cut edges.

It's also a floating deck, which means it's great on uneven surfaces.

And for quick and easy cleaning, just activate the Quick Flip mechanism.

You're in complete control, thanks to a compact side dashboard featuring useful commands, including an electronic height-adjuster.

It's comfortable too, with a seat including high back support and lots of leg room.

Then, when the mowing's over, sit back and admire your work.

The cutting deck is NOT included, but available to purchase separately.

This mower comes with an extended 5-year domestic warranty. (T&C's Apply)

Features

Innovative bonnet for better cooling Enables a higher air intake for more efficient cooling, lower working temperatures and smoother rides.

Specifications:

Series: Series 3

SKU: 2F6130535/ST2

Battery capacity: 30 Ah

Power: 10.8 kW

Power source: Petrol

Engine Brand: Honda

Engine model: GCV 530

Displacement: 530 cm³

Engine rotation speed: 3200 rpm

Battery Voltage: 12 V

Choke: Manual
