The Park 700 W 's 635cc twin-cylinder STIGA ST 650 Twin engine tackles any mowing task.

Driving and manoeuvring is easy too, thanks to a 50:50 articulation with power steering and innovative chassis design.

For even more comfort, this zero-turn mower features a seat with high-back support and armrests.

Plus, its easily reached ergonomic side dashboard comes with an electronic height adjuster and large compartment for your belongings.

The machine is also Bluetooth-enabled, so you can connect it to a digital device, and receive instant maintenance alerts and updates.

The front-mounted deck features extra-wide cutting choices from 95m to 125cm.

It allows fast mowing, clear out-front views, easy access to corners, and precise cutting along edges.

The Quick Flip mechanism also lets you quickly clean the deck.

And for safe mowing, even in poor light, the Park 700 W features high-beam LED headlights with wide or deep settings.

Power, comfort and safety: the Park 700 W has it all.
