Combi Pro 110 Q Plus

[Combi Pro 110 Q Plus](#)

The Stiga Park Pro 900 WX Front Mower is a larger model in the Park range capable of handling a lawn area up to three acres in size.

The powerful 688cc Honda GXV 630 Engine, Hydrostatic Transmission and impressive up to 125cm cutting width make light work of larger areas.

Visibility is superb; manoeuvrability slick and cutting is precise thanks to the 50:50 articulated power steering system.

The twin-bladed cutting deck allows cutting widths of 110 to 125cm to be achieved from the front mounted floating deck across a 25-90mm cut height range.

The Park Pro 900 WX features 4 wheel drive Transmission.

The mulching blades ensure the grass clippings are finely cut into a nitrogen rich mulch to recycle back onto your lawn as a natural fertiliser.
