[Combi Pro 110 Q Plus](#)

The Stiga Park Pro 900 AWX Front Mower is a larger model in the Park range capable of handling a lawn area up to three and a quarter acres in size.

The powerful 688cc Honda V-Twin GXV 690 Engine, Hydrostatic Transmission and impressive up to 125cm cutting width make light work of larger areas.

Visibility is superb; manoeuvrability slick and cutting is precise thanks to the 50:50 articulated power assisted steering system.

The twin-bladed cutting deck allows cutting widths of 110 to 125cm to be achieved from the front mounted floating deck, across a 25-90mm cut height range.

The Park Pro 900 AWX features 4 wheel drive Transmission.

The mulching blades ensure the grass clippings are finely cut into a nitrogen rich mulch to recycle back onto your lawn as a natural fertiliser.

A comfort Seat with arm rests is fitted.
